Mr. Endi Zhai

President of NACGEA

Dear President Zhai

The Youth Committee of China Society of Rock Mechanics & Engineering wants to congratulate you to be elected as the president of North American Chinese Geotechnical Engineers Association (NACGEA ) and successfully to organize 1st Geotechnical Workshop and NACGEA Inaugural Meeting.

The opening of NACGEA will enhance connections for Chinese geotechnical professionals with North American geotechnical professionals and organizations.

Our hearty congratulations for the inauguration of NACGEA!

Sincerely Yours,

Youth Committee of China Society of Rock Mechanics and Engineering
